*Helping People Grow Toward Peace and Wholeness*

## **Support the journey toward peace and wholeness**

At Shalom we are committed to making our services available to those who need them at an affordable cost. 9 out of 10 people seen by Shalom's counsellors benefit from a reduction in fees made possible by donations from people like you, who value the availability of high quality mental health services. Your donations help ensure access to counselling for those people who need it most.

Tax receipts are issued for all contributions.

An endowment fund with Abundance Canada helps to ensure the long-term stability of the organization. Please [contact our office](#) for more information about Shalom's Endowment Fund.
